

How to find your NSN 8-digit Membership Number

Each NSN Membership is assigned an 8-digit membership number which allows all members to clearly identify their membership when registering for associated events, webinars and live streams, as well as much more in the future. This number is not sensitive information and works in a similar way to any other membership body registration.

Step 1: Log in to

<https://nationalspinenetwork.co.uk/>

Login to your membership can be found in the top-right on any page within the website. This will ask you for your registered email and password. If you cannot remember your password, use the “Forgot Password” link next to login. If you are unsure of your email, please contact info@nationalspinenetwork.co.uk for assistance.

Step 2: View your Profile

Once logged in, you can view your profile by clicking on your name in the top right and selecting “View Profile”

Step 3: Find your User ID / Membership Number

Within your profile, please scroll down until you see “User ID”.

Your User ID is the same as your Membership Number. This will be a unique 8-digit number to your membership.
